

BRIGHTON'S MISSION & VISION

MISSION: Brighton Center provides family & community education and developmental services to children with disabilities or delays, empowering them to achieve their individual potential making them successful in every community.

VISION: To set a strong foundation for children of all abilities by being the preferred developmental & educational service provider for early childhood across Bexar County.

Brighton Center is beyond honored that you are considering being a partner for our annual 'Blessings for Brighton Golf Tournament'. I have been a longstanding supporter of Brighton Center and hope that you will join me in supporting Brighton's mission to provide critical programs and services to children with disabilities and delays right here in San Antonio.

Every year Brighton serves more than 3,800 children in Bexar County ensuring that they have the therapy, education, and skills needed to be successful now and in the future! The proceeds from this golf tournament will help Brighton serve even more children with disabilities and developmental delays in a more comprehensive way!

It would be impossible for Brighton to do what we do for children and families without the support of individuals like you. On behalf of Brighton's Staff Members, Board Members, Volunteers and the Families that we serve, THANK YOU for being our Partner!

Sincerely,

Steve Lyons
Board Member/Event Co-Chair

Dwight Parscale
Event Co-Chair

PROGRAMS & SERVICES

HOME-BASED THERAPY SERVICES: AGES 0-3

Brighton's home-based therapy program provides speech, occupational, and physical therapy as well as case management services for more than 1,800 babies and toddlers with a disability or developmental delay every year.

ONSITE THERAPY SERVICES: AGES 3-5

Brighton is working to expand their home-based therapy program to site based therapy for older children with disabilities and developmental delays. Scheduled to begin 2021, this on-site therapy program will work with about 500 children every year.

EARLY CHILDHOOD EDUCATION: AGES 18M-5

Brighton operates two inclusive Early Childhood Education Centers to prepare children of all abilities for Kindergarten. This nationally accredited program (NAEYC) educates 140 children every year.

PARENT TRAININGS

Brighton provides free trainings for parents who have a child with a disability or is struggling in school so that they understand the education laws that can support their child and provide them with every opportunity they need to successfully graduate high school.

ADVOCACY SUPPORT: AGES 3-12

Brighton provides one-on-one support to parents of children with disabilities or delays that are struggling in school. Brighton Advocates will go with parents to meetings with the schools and help ensure an appropriate education plan is in place and is setting that child up for a successful future.

OUT OF SCHOOL PROGRAMMING: AGES 5-12

Brighton is working to start a series of Out of School Programs that will operate after school and during the summer for children with disabilities and delays and will concentrate on specific skills that children with disabilities struggle with like handwriting, social skills, etc. This program is scheduled to begin in 2021.
